Lodging

The Unrivaled Flag World Championships utilizes an official event lodging program for teams traveling from outside the local area. The program provides teams and families with access to coordinated hotel options near ESPN Wide World of Sports and helps streamline travel for the event.

Teams located more than 75 miles from ESPN Wide World of Sports are required to stay at an approved lodging property.

There are more than 30 hotel options, with rates starting as low as \$79 per night. Options range from traditional hotels to resorts and villas, with many properties offering family-friendly amenities including pools, water parks, mini golf, and more.

Scan the QR code or click [here](#) to explore the lodging options and book your stay.

A minimum of five (5) unique reservations per team must be made through the official booking link to satisfy the lodging requirement. The length of each reservation does not matter. For example, 5 separate 1-night reservations meets the requirement.

Once your team has met the five-reservation requirement, any additional families may choose to stay elsewhere.

Teams that do not wish to participate in the official lodging program may opt out for a fee of:

- \$750 per team
- \$1,250 per organization

To opt-out, please email flagtournaments@unrivaledsports.com.

Event Connect

Through our official lodging partner, **EventConnect**, teams can create a complimentary team room block and share one booking link with players and families, making it easy for everyone to book and stay together.

Once your team is registered, you can manage your booking through your EventConnect team dashboard, including:

- Requesting additional rooms
- Adding extra nights or extending your stay
- Viewing and managing your team's reservations
- Tracking your team's lodging compliance

FAQs

Q: Can any team participate in the Unrivaled Flag World Championships at Disney?

A: Yes. Teams from any league or organization are welcome to participate.

Q: What rules are used for the tournament?

A: The tournament will follow SHS rules. You can email us at flagtournaments@unrivaledsports.com to request a copy of the rule book.

Scan the QR code or click [HERE](#) to view the rules.

Q: What is the registration fee?

A: Registration is \$995 per team.

Multi-team discounts are also available:

- 3+ teams: \$50 off per team
- 6+ teams: \$75 off per team
- 10+ teams: \$100 off per team
- 15+ teams: \$125 off per team

Discounts are automatically applied in Zorts when all teams are registered at the same time.

The registration fee includes Under Armour jerseys and flag belts for every player. Team rosters may include a maximum of 12 players and 3 coaches.

All rostered players and coaches will receive complimentary admission to ESPN Wide World of Sports.

Q: The tournament is in February 2027. Is the 1/1/2026 age cutoff a typo?

A: No, it's not a typo. The age cutoff is January 1, 2026, meaning teams should register in the age division their players were eligible for as of 1/1/26.

This cutoff is intentional because the 2027 Unrivaled Flag World Championships is the culmination of our 2026 tournament season. Throughout 2026, first place teams earned half-paid bids to Worlds 2027 at qualifying tournaments. To keep eligibility consistent from the first qualifier through the World Championships, we use the same age cutoff for the entire season.

While some athletes may have birthdays between January 1, 2026 and the February 2027 event, every team competes under the same age cutoff and eligibility rules, ensuring fair and consistent competition across all divisions.

FAQs

Q: Is this a stay-to-play event?

A: Yes. Teams located more than 75 miles from ESPN Wide World of Sports are required to participate in the official Worlds lodging program. A minimum of five unique reservations per team must be booked through the official lodging link. Once your team reaches five reservations, the requirement has been met.

See the Lodging section on page 4 for approved hotels, opt-out information, and EventConnect support.

Q: Does my entire team need to stay at the same hotel?

A: No. Your team simply needs to meet the minimum requirement of five unique reservations booked through the official lodging link. Those reservations do not need to be at the same property. Once the five-reservation requirement has been met, remaining families may stay wherever they choose.

Q: Will more hotel rooms be added?

A: We will continue to ensure there is sufficient overall lodging inventory for participating teams. However, availability at specific properties is limited. Hotels closest to the fields and those offering the lowest rates tend to fill first. Once a property or room block is full, we may not be able to add additional rooms at that hotel. We strongly recommend booking early if your team has a preferred property.

Q: Do we get discounted attraction park tickets?

A: Yes! Tickets are available for Universal Studios, SeaWorld Orlando, Walt Disney World, dinner shows, and many other popular Central Florida attractions. We recommend purchasing in advance so everything is ready before your visit. You can purchase them here: <https://kgstix.com/unrivaled/>

Q: Can we use our own footballs?

A: No. Official game balls will be provided. Teams may purchase official footballs [here](#).

Q: Can we use our own flags?

A: No. Official flag belts will be provided at check-in.
